

JPhys MaterialsTM

From the publisher of the *Journal of Physics* series

NEW
LAUNCH
FOR 2018

OPEN
ACCESS

Advancing the field of materials science with high-quality research on the applied and fundamental aspects of the synthesis, structure, properties and performance of materials.

- Broad scope
- High-impact research
- Fast and efficient author service
- Open access

Editor-in-Chief

Stephan Roche, Catalan Institution for Research and Advanced Studies (ICREA) and Catalan Institute of Nanosciences and Nanotechnology (ICN2), Spain

To find out more about the journal scope and how to submit your paper, please visit iopscience.org/jphysmaterials or e-mail jpmaterials@iop.org
